Dear P Dooler

We are in the process of populating our institutional repository – SUNScholar (<http://scholar.sun.ac.za>) with articles authored by members of our institution (University of Stellenbosch, South Africa). This is a request for permission/approval to allow us to please submit copies of articles published in *Soccer & Society* in our repository. Currently we are working on the following article:

Football as code: the social diffusion of 'soccer' in South Africa, Jan-Mar 2010, Vol.11, No.1-2, pp. 12-28

Full acknowledgement will be given to your publication, the article will be fully cited, and the article will remain intact as it was published by you.

We are looking forward to your positive response regarding the above.
Kind regards

Paulette Talliard
